Candidate Statement (75 words maximum)

Members seeking election are kindly requested to include details of work they wish to undertake for the Association including possible future developments.

The work I do on Council would continue. However, I believe that this position demands a close working relationship with both the President and other Vice President so my main focus will be on providing support to these positions and deputising when needed. I believe a strong and unified team achieves so much more than a group of individuals and I am determined to do whatever I can to achieve this with NOEA.
